

A. Gay sexual practices and HIV exposures

32. Throughout your entire life, how many of your sex partners had Kaposi's sarcoma or later developed it? *(If unsure, please give your best estimate. If none, write "000")*

____ partners

33. In the past **12 months**, with how many different male partners have you had sexual contact of any kind, including mutual masturbation? *(Again, if unsure of the exact number, please give your best estimate. If none, write "000")*

____ partners

34. In the past **12 months**, with how many different *HIV+*, *HIV-* and *HIV?* partners have you had oral or anal sex? This includes sexual activity with or without a condom. *(If none, write "000" for this type of partner)*

____ *HIV+* male partners

____ *HIV-* male partners

____ *HIV?* male partners

NOTE: HIV? indicates partners whose HIV status is unknown to you.

35. In the past **12 months**, with how many partners did you engage in mutual masturbation only? *(Do not include partners already counted in Q.34. If none, write "000" for this type of partner)*

____ *HIV+* male partners

____ *HIV-* male partners

____ *HIV?* male partners

36. In the past **12 months** how would you characterize your sexual activity?
(Circle one answer only)

No sex with partner(s) 01 *(Skip to Q.75)*

Mutual masturbation only..... 02 *(Skip to Q.45)*

Other sexual acts with partner(s)..... 03

37. In the past **12 months** did any of your partners ejaculate, with or without a condom, into **your** rectum?

Yes..... 01

No 02 *(Skip to Q.41)*

38. In the past **12 months** did any **HIV+** partners ejaculate, with or without a condom, into **your** rectum?

Yes..... 01
No 02 (*Skip to Q.39*)

- a. How many **HIV+** partners did this?

|_|_|_| partners

- b. How many times did all **HIV+** partners ejaculate **without** a condom into your rectum?

|_|_|_| times

- c. How many times did all **HIV+** partners ejaculate **with** a condom into your rectum?

|_|_|_| times

39. In the past **12 months**, did any **HIV-** partners ejaculate, with or without a condom, into **your** rectum?

Yes..... 01
No 02 (*Skip to Q.40*)

- a. How many **HIV-** partners did this?

|_|_|_| partners

- b. How many times did all **HIV-** partners ejaculate **without** a condom into your rectum?

|_|_|_| times

- c. How many times did all **HIV-** partners ejaculate **with** a condom into your rectum?

4 or more times per week..... 05

64. In the past **12 months** did you have sex of any kind with only one partner?

Yes 01 (*Skip to Q. 67.*)
No..... 02

65. Did this partner only have sex with you?

Yes 01
No..... 02
Don't know 03

66. What is this partner's HIV status?

HIV positive 01
HIV negative..... 02
He doesn't know..... 03
He has not told me 04

67. In the past **12 months** did you, yourself, always use (wear) a condom?

Yes 01 (*Skip to Q. 69.*)
No..... 02

68. If you did not always use (wear) a condom, was it because. . .?
(*Circle all that apply*)

You don't believe condoms help to
prevent the spread of AIDS 01
You did not engage in any sex acts that put
your partner(s) at risk of getting infected..... 03
You were always the passive partner receiving
seminal fluid (semen) - never giving 04
You were intoxicated with alcohol or other drugs 05
You believe condoms diminish sexual pleasure..... 06
Your partner(s) preferred you not use them..... 07
You were too embarrassed to use them..... 08
Your partner(s) are already infected with HIV 09
Other (*Specify*) 96

69. In the past **12 months**, have you always insisted that your partner use (wear) a condom?

Yes 01 (*Skip to Q. 71.*)

No..... 02

70. If your partner(s) did not use (wear) a condom, was it because. . .?
(*Circle all That Apply*)

You don't believe condoms help to

prevent the spread of AIDS..... 01

You are already infected with HIV 02

You did not engage in any sex acts that put you at

risk of getting infected with HIV (or acquiring

an additional or different strain of HIV) 03

You were always the active partner giving

seminal fluid (semen) - never receiving 04

You were intoxicated with alcohol or other drugs 05

You believe condoms diminish sexual pleasure..... 06

Your partner(s) preferred not to use them..... 07

You were embarrassed to ask your partner(s)

to use them..... 08

Your partner(s) is/are not infected with HIV 09

Other (*Specify*) 96

_____ | | |

71. Did you ask your potential partner(s) about their HIV antibody status?

Yes, always 01 (*Skip to Q. 73.*)

Yes, but not always..... 02

No..... 03

72. If not, was it because. . .? (*Circle all that apply*)

You did not engage in any sex acts that put you at risk of getting infected.....	01
You always used a condom	02
Your partner always used a condom	03
If your potential partner were HIV positive, it would not change your practices with him.....	04
If your potential partner were HIV negative, it would not change your practices with him.....	05
You were too embarrassed to ask.....	06
You were intoxicated with alcohol or other drugs	07
You are already infected with HIV	09
You were unsure your partner(s) would be truthful.....	10
You already knew partner's HIV status.....	11
Other (<i>Specify</i>)	96
_____	_ _

73. Did you tell your potential partner(s) about your HIV status?

Yes, always	01 (<i>Skip to Q. 75.</i>)
Yes, but not always.....	02
No.....	03

74. If you did not inform your potential partners about your HIV status, was it because. . .?
(Circle all that apply)

You did not engage in any sex acts that
put your partner at risk of becoming infected 02
You always used a condom 03
Your partner always used a condom 04
If your potential partner were HIV positive,
it would not change your practices with him..... 05
If your potential partner were HIV negative,
it would not change your practices with him..... 06
You were too embarrassed to tell him..... 07
You were intoxicated with alcohol or other drugs 08
You were not concerned about infecting
your potential partner 10
The subject did not come up or partner did not ask..... 11
Partner already knows your HIV status 12
Other (*Specify*) 96
